

COMMUNITY LABYRINTH WALK

Saturday, November 10, 2018

5:00 PM – 7:00 PM

Come anytime during these hours

You are invited to a time of meditation and contemplation in a quiet, peaceful setting open to all. A labyrinth is a path which leads, via a circuitous route, to the center of an intricate design and back out again. It's a space to think about our relationships with ourselves, one another, our planet and God. Unlike a maze, a labyrinth is easy to navigate. Each person walks the labyrinth in their sock feet at their own pace and for their own reasons. There is no pressure and people are silent. Often nature sounds are played very quietly in the background.
