

Invite your Family & Friends: April 15-18 Home Repairs in Appalachia?

Charles Wesley, The Hunger Church, will be sponsoring its last home repair mission trip to Johnson City, TN. We'll work with the Appalachia Service Project (www.asphome.org) to make homes warmer, safer, and drier for those who cannot afford to do this on their own. ASP selects and plans the projects, purchases the building supplies, and provides experienced oversight. Your heart will be warmed as you fulfill your commitment to serve God by making a difference for a struggling family or elder.

We'll leave Wednesday morning, work with an experienced team leader Thursday and Friday and return Saturday afternoon. People age 14 & older of all skill levels are welcome as long as space is available. For ASP veterans, the good news is no bunk beds! We'll be staying in a motel but taking most of our meals at the ASP center.

Can't come? We need supporters to pray for and/or donate toward this trip. While volunteers cover most of their own expenses, the church covers most transportation costs and some team supplies. Contact Tylee Smith, Coordinator: tylees@verizon.net or text 703-598-7126 or come to a Q & A session on Sunday, February 9, 2020, at 12 noon in the Disciples room.
